

OXROSE RENDEZVOUS NO. 1

Many who missed this year's *First Annual Oxrose Rendezvous* have asked: "How was it?" Well, it was absolutely fantastic! At Oxrose Academy, families have met over the last ten years online, but we finally had the chance to be in person, doing family activities, having conversations, enjoying each other's family bloopers, joys, laughs, cries, and scraped knees. We were one big Oxrose Family for one, entire, beautiful week.

Here is just a glimpse of some of the fun

Daily Mass, campfire songs, Dante and stars, bike races, fishing off the pontoon, swimming in the pool, rope swinging into the lake, Much Ado about Nothing, games, English Country Dancing, parents book club, really bad bugling, and more brought students and their whole families together.

Looking forward to next year. Spread the word . . . grow the family.
